

Welcome to the Hukyu Bonsai Society of Tampa "News Notes".

We need commitments from those interested in attending club night and Greenfest (see dates below) by the meeting this week. We will have a sign-up sheet and we encourage everyone to be involved and to bring trees for the Greenfest display. Be sure to let us know what trees you plan to bring. We can also do demos at the display at Greenfest if you are interested please let us know.

USF also wants to know if we want to do an exhibition in the conservatory during the USF plant sale. Let's discuss at the meeting.

February

The February meeting (Feb 21) will be a workshop on helping the plants on the plant table (trimming and transplanting) as well as putting together a forest planting for the display. We also need to do some work on the display such as fixing the fence.
